Hummm--

That one will take some doing on our part. We're still trying to see where we fit in and how we want to handle things. At the present time we have agreed to be her Provider for 2008 ratings. Other than that, we're working with Steve to see just what we can (and should do). I'll keep you informed.

OK... I'm tracking with you so far...

Now, what I thought I understood from Steve was that there is a need to

clear up the reporting/business relationship between you and Barb Collins' organization. Can you help me on that issue?
